

Goals Juliette Bernard

For the season 2016-2017 I have two main goals :

- Participate to the Universiade in Almaty
- Top 3 of the general ranking of University FIS european circuit

For next season, I hope to do an exchange year in North America (probably Montreal) to compete on the university circuit.

I plan to end my bachelor degree in Economics and Management in january 2019. The I would like to do a Master in management.
